

## District 622 Secondary Math Sequence Options

Grade Math Sequence Options	8	9			10			11		12	
<b>Regular Sequence</b>	Math 8	Integrated I (05-06) or Algebra 1 (06-07 and beyond)			Geometry			Integrated Math III		Pre-Calc or no math (Math is optional for seniors)	
<b>Accelerated Sequence</b>	Algebra 1	Geometry			Integrated Math III			Pre-Calc		AP* Calculus	
<b>Regular Sequence with "Squeeze" Option @ 10/11</b>	Math 8	Integrated I or Algebra 1			Tri 1 Geometry	Tri 2 Geometry	Tri 3 Integrated Math III	Tri 1 Integrated Math III	Tri 2 Pre-Calc	Tri 3 Pre-Calc	AP* Calculus
<b>Accelerated Sequence with "Squeeze" Option @ 9/10</b>	Algebra 1	Tri 1 Geometry	Tri 2 Geometry	Tri 3 Integrated Math III	Tri 1 Integrated Math III	Tri 2 Pre-Calc	Tri 3 Pre-Calc	AP* Calculus		AP* Probability & Statistics, PSEO	

\* AP test optional.

**Notes:**

1. The **regular sequence** is for all students. There is no remedial sequence. Students who need extra math support for Algebra 1 can be assigned to an additional math course in lieu of an elective. In such cases students also remain in their regular math class.
2. All **regular** and **accelerated** sequence courses meet the rigorous Minnesota Dept of Education math standards.
3. Movement between sequences is acceptable with counselor and/or teacher permission.
